

BREAST CANCER PATIENT NAVIGATION

618-684-3143 ext. 111

Jackson County Health Department offers **FREE** patient navigation services for **breast cancer patients and caregivers.**

Our navigators can assist with:

- Finding community resources and support programs
- Managing appointments and transportation
- Providing health education
- Offering language assistance
- Reducing barriers to care throughout treatment and recovery

You don't have to face breast cancer alone. We're here to help you every step of the way.

Serving Jackson, Monroe, Perry, Randolph & Washington Counties
